

Caravan Collection

PANELS FIT FOR #VANLIFE

Plyco's **Caravan Collection** is a diverse product range available at Plyco for our discerning RV, Caravan and Mobile Home community.

Prioritising weight, affordability and variety, the five products in this range are available in dozens of options that will turn heads on the street and generate likes in your social feed.

Shipping in a variety of thicknesses from 3mm – 30mm depending on the product, this collection boasts a world of potential applications. Most often we see these products used as interior wall panels, ceiling linings and furniture for caravans.

With a dynamic range at any price point, Plyco is your go-to plywood supplier for everything from a DIY RV fit-out to a professional caravan construction.

For an overview of our carefully selected collection of wall panels, read more about our specific products below.

Technical Specifications

Custom Sizes

In addition to all standard product sizing, Plyco offers a Cut To Size service. From standard cuts to CNC programs, you'll find any custom sheet size tailored for van, RV or mobile home project.

Low Formaldehyde

All adhesives used in the manufacturing process of caravan range are low formaldehyde, making it safe for use in bedrooms, common areas and anywhere else you might find yourself working in your van!

Visual Variety

From raw veneers to decorative laminates, a diverse set of colours and finishes provides a variety of choices. If you feel stuck making a decision, feel free to contact our team of experts!

Lightweight

When you're living a life on the road, you don't want to be weighed down by anything. With this in mind, we've engineered this range to be as light as a feather!

Plyco's Caravan Collection
